

REMARKS

In the Restriction Requirement mailed April 12, 2007, the USPTO has required restriction between the following species of the generic invention:

Specie 1: Seq ID Nos 1 and 2

Specie 2: Seq ID Nos 3 and 4.

Applicants hereby elect to prosecute the invention of Specie 1, Seq ID Nos 1 and 2, corresponding with claims 43 to 81, understanding that upon the allowance of a generic claim, Applicant will be entitled to consideration of claims to additional species which are written in dependant form or otherwise include all the limitations of an allowed generic claim.

Applicants reserve their rights to file divisional applications for the non-elected claims, as well as any other matter disclosed in the present application which is not encompassed by the elected claims.

CONCLUSION

Applicants respectfully request that the above-made election and remarks be made of record in the file history of the instant application.

The Examiner is invited to contact the undersigned attorney at the telephone number indicated below should he find that there are any further issues outstanding.

Please charge the fees for two month extension of time, and any additional fees, if any, including any fees for extension of time, or credit overpayment to Deposit Account No. 07-0630.

Respectfully submitted,
GENENTECH, INC.
